Pete Bloom

Pete Bloom

Pete Bloom is the co-owner of Catered Affair and has been a long-time contributor to HHS athletics, the HHS Senior Picnic as well as the Annual Hall of Fame Golf Outing. He and his wife Karen Bloom established their business here in Hillsborough in 1989.

They hold Hillsborough as a special place in their hearts. During their time living in town, they have raised 3 children who attended and graduated from Hillsborough High School. Their daughter Kim played softball and graduated in 2006. Their second daughter Kelly played field hockey, softball, and track and field. She graduated in 2010. Their son Brian played baseball and graduated in 2013.

When you walk into Catered Affair and look around the walls, they are filled with numerous athletic team posters and pictures of our athletes from side to side and top to bottom. Their food is terrific, especially their sandwiches which are cleverly named everything from the Letter R, the Georgetown, to specialty wraps called the Wise Guy, the Handstand, and the Superman. The Hillsborough community is fortunate to have such great people who support our athletes and the people of Hillsborough.
