

Cindy Christy Lagenfeld

Cindy Christy Lagenfeld is a 1984 graduate of Hillsborough High School. Cindy was an outstanding athlete in 3 sports during her high school athletic career. She earned four varsity letters in basketball, three varsity letters in both softball and field hockey. However, it is her achievements in field hockey that have earned her a place in the Hillsborough High School Hall of Fame.

Cindy's honors in field hockey include First Team honors in the following:

All County 1982, 1983
All Conference 1982, 1983
All State, All Groups 1983

During 1983, Cindy was captain of the Hillsborough High School field hockey team that won:

NJSIAA Group III State Championship
Somerset County Champions
Mid-State Conference Championship

At the end of the 1983 season, Cindy was selected to participate in the national Hockey Festival, which consists of the top high school field hockey players in the nation.

Cindy's prowess was not only in athletics. In 1984 she was the Somerset County and Mid-State Female Scholar Athlete.

Cindy continued her field hockey career at American University, where she earned First Team All-Conference honors in 1985, 1986, and 1987. In 1988 she was named American University's Outstanding Senior Female Athlete and Scholar Athlete.

Cindy is currently President of Mobility Solutions of Lucent Technologies. She is married to Randy Lagenfeld. Their family consists of four children: Samantha, 12; Michael, 10; John, 5; and Jennifer, 2. Cindy and her family reside in Bridgewater, NJ, where she continues her involvement in athletics by coaching local sports teams.
