

Angelo Vitale

Angelo Vitale is being inducted in the Hillsborough Athletic Hall Fame as a contributor for his outstanding commitment to Hillsborough Athletics.

Angelo has been a contributor and fan of Hillsborough athletics for over twenty years. His sustained commitment and positivity with young people sets an example for educators and parents alike. Angelo's support officially comes in the form of the food he prepares. Whether it is a pre-game meal for the football team or catering to hundreds of guests at an end-of-season banquet, Angelo provided great food. Between the middle and high school athletic teams, Angelo feeds approximately forty different programs throughout the school year. Additionally, in many cases, he can be found serving the dishes himself from the buffet line while sharing smiles and laughs with parents, coaches, and players.

To anyone who has come in contact with Angelo, it is obvious that he provides more than food - he provides encouragement and unconditional support to our young people. He can be found on the sideline or in the stands of most every sport, regardless of the time of year. Each season, Angelo enjoys the victories and suffers the defeats with the teams as if these athletes were his own. He displays the photographs of teams and athletes past and present in his restaurant as a parent would in their own home. This is what has made Angelo such a valued member of the Hillsborough Athletic community. He loves working with young people and is proud, like our athletes and coaches, to represent Hillsborough.

For his continued support and service to Hillsborough Athletics, the HHS of Fame Committee is proud to welcome Angelo Vitale to the 2008 Class of the HHS Athletic Hall of Fame.
