

**Hillsborough Township Public Schools**  
**Parental/Guardian Consent Form**

Hillsborough Township Public Schools has a proud tradition of celebrating student accomplishments by sharing them with our community. For us to do so, we periodically submit press releases which include students' names and photographs to the local media or post such information on our district website, district sponsored publications, or displays at school functions. Our intent is to be informative and recognize our students' achievements. Furthermore, with our integral use of technology to provide instruction, teachers are using technology to provide live online lessons/support for students and may record such sessions to support asynchronous learning.

We understand, however, concerns may arise regarding a student's right to privacy. Hillsborough Township Public Schools may want to publish, post or distribute your child's name and/or photograph or other information related to his/her achievement (e.g. academic, athletic, award) during the school year. Additionally your child may participate in live online lessons that may be recorded with their image captured electronically during these enriching lessons as part of the delivery method or for later review. If you **AGREE** to allow Hillsborough Township Public Schools to publish, post or distribute your child's name and/or photograph or other information as relevant to school participation/performance (e.g. academic, athletic, lessons, award), check the first box below. Please make a copy of this letter for your reference.

However, if you **DO NOT** grant permission to allow the Hillsborough Township Public Schools to publish, post or distribute your child's name and/or photograph or other information as relevant to school participation/performance (e.g. academic, athletic, lessons, award), check the second box below. Please make a copy of this letter for your reference.
